Subject: "INTECA joins its voice towards supporting
the World Accreditation Day 2021"

09 June 2021 marks **World Accreditation Day** (#WAD2021), a global initiative established by IAF (International Accreditation Forum) and ILAC (International Laboratory Accreditation Cooperation) to promote the value of accreditation. This year's theme is **Accreditation: Supporting the Implementation of the Sustainable Development Goals (SDGs)**.

The United Nations 2030 Agenda for Sustainable Development provides a blueprint for a better world. This ambitious plan to enhance prosperity, eradicate poverty and protect the planet is recognized globally as essential for a sustainable world. It requires consensus, collaboration and innovation from all parts of society, including local and national governments, business, industry and individuals.

The SDGs are at the core of the United Nations' 2030 Agenda for Sustainable Development, a broad and ambitious plan of action with the overarching objective of leaving

no one behind. Accreditation, in collaboration with other quality infrastructure institutions, provides the technical foundations that are critical to the functioning of developed and developing societies.

INTECA, is a Hellenic private entity based in Piraeus, working with the objective of supporting businesses capture normative quality compliance within the non-marine and marine sectors.
